STONE COUNTY, MISSOURI EARLY MARRIAGES

1851 - 1900

Compiled
By

Elizabeth B. Langley & Lela Wilson

1967

These Records were obtained from the old records retained by the County Court House in Galena, Missouri. All efforts were made to try and place them as they are recorded. Due to the age of the pages, and early English methods of penmanship, it was quite difficult to read some of the names and dates. We want to thank Mrs. Christine Russell for giving us the privilege and use of her office.
